Water District 111 will evaluate this application as well as a successful applicant's suitability for particular jobs utilizing the following criteria: a) The ability, capacity and skill of the applicant to perform the work desired; (b) The character, integrity, reputation, judgment, experience and efficiency of the applicant; (c) The demonstrated ability of the applicant to perform anticipated contracts within reasonably expected times. (d) The quality of performance by the applicant on previous contracts, including but not limited to, the relative costs, burdens, time and effort necessarily expended in securing satisfactory performance and resolving claims, etc. (e) The suitability of applicant's proposed subcontractors, if any. (f) The requisite experience of the applicant's key personnel and the sufficiency of applicant's capital, facilities and plant to enable the prosecution of the anticipated work successfully, properly and in a timely manner.

Prevailing wages are applicable for any work done for Water District 111. A "Statement Of Intent To Pay Prevailing Wages & Affidavit of Wages Paid" will be required to be signed certifying compliance with this requirement, prior to issuing any payment and prior to issuing the final payment. A listing of the appropriate prevailing wage rates will be provided upon request.
